Please choose supplies that are NOT disguised as toys (and no pencil sharpeners). They can be a major distraction, especially during the readjustment from summer vacation.

While choosing a school bag, keep in mind the limited amount of closet space available in each classroom.

Please do not purchase an assignment notebook. We have ordered an 8 ½" x 11" assignment notebook for each student. We hope that by having this information early, you can take advantage of the August sales to get the material your child will be using. These will be needed for the first day of school. We look forward to working with you in the fall.
